Putney, VT — AfterFab Performs this Saturday

AfterFab ~ A Unique Tribute to the Beatles Solo Years

Photo from afterfab.com

AfterFab is not the kind of tribute band you usually hear about. The band, which focuses on the solo careers of John Lennon, Paul McCartney, George Harrison, and Ringo Starr, will be bringing their one-of-a-kind show to The Next Stage Arts Project theater in Putney, VT on November 15. This is a concert that you will never forget!

As soloists, the Beatles released over 600 songs from "Band on the Run" and "It Don't Come Easy" to "Imagine" and "What is Life". Beatles fans have always wondered what it would be like to hear their solo songs performed together and AfterFab does just that. Demonstrating to audiences what it would be like had the Beatles never broken up in 1970. The six-piece band gives heartfelt renditions to the songs Beatles fans love and can appreciate. AfterFab takes classic solo Beatles songs and offers a sound similar to the studio versions, something that not all tribute bands do. Fans seem to really appreciate this approach and enjoy the unique experience AfterFab gives.

AfterFab satisfies the ears of many audience members and tailor their shows to even the die hard Beatles fans, going well beyond the greatest hits and offering iconic deep album tracks not heard anywhere else.

AfterFab fills a void for Beatles fans everywhere, fulfilling the rest of a musical story that thousands of Beatles tribute bands

don't offer. AfterFab brings the Beatles music that fans have been missing, and this is a show you won't want to miss!

Tickets are \$18 for General Admission and \$16 for Seniors and Students w/ an I.D.
