MANCHESTER, NH – Have you ever imagined what it would be like to hear the Fab Four live in concert again? If so, then come on down to the Palace Theatre Saturday, July 1 at 7:30 p.m. and hear the band that has fans buzzing.

Afterfab is America's only band devoted exclusively to the music of all four solo Beatles. Self-proclaimed Beatle enthusiasts, the six-member crew is determined to keep the late band's legacy strong even after Abbey Road. Based out of Eastern Massachusetts, the tribute band has been touring since 2012, making appearances across New England and New York in attempt to bring back your favorite classic Beatles hits. From *Band on the Run*, *Live and Let Die*, *Imagine*, and *Instant Karma* to *My Sweet Lord*, *What Is Life*, *I Don't Come Easy*, and *Back Off Boogaloo*, AfterFab revives the musical magic all die-hard Beatles fans have been missing.

Similar to other tribute bands like *Brit Floyd*, *Get The Led Out* or *The Fab Faux*, Afterfab offers a unique experience for audiences. Designed from the start as a concert attraction for top music clubs, performing-arts spaces, theatres, and venues that desire to present something special for guests. The band even adds their own extra dimensions of entertainment to the shows, giving back-stories of the songs, fascinating trivia and notable quotations of band members. You don't want to miss out on this one night only event, so get your tickets today!
