### **EVENT DESCRIPTION – VERSION 1**

The AfterFab concept gets Beatles fans buzzing. As the world's only high-fidelity tribute to the solo careers of all four Beatles, they take listeners on a true-to-the-record journey through the works of John, Paul, George, and Ringo *after* they were Beatles. The genius of The Beatles didn't stop with "*Abbey Road*." In fact, as solo artists, the former Fab Four scored an amazing 70 US Top 40 hits! AfterFab are not impersonators – their goal is to get the music right and bring it to life in great detail, which has won praise from noted Beatles authors and experts. From "*Band on the Run*," and "*Imagine*" to "*Give Me Love*," "*It Don't Come Easy*" and dozens more, this is the Beatles music that fans have been missing.

### **EVENT DESCRIPTION – VERSION 2**

AfterFab is the world's only high-fidelity tribute to the solo careers of all four Beatles – and their unique concept has fans buzzing. The genius of The Beatles didn't stop with *Abbey Road*, and AfterFab brings the brilliant solo careers of Lennon, McCartney, Harrison, and Starr to life with high energy and true-to-the-record sound. Over 70 hit singles and numerous iconic tracks compose one of the best-loved classic-rock canons ever, from "*Band on the Run*" and "*It Don't Come Easy*" to "*Imagine*," "*What Is Life*" and dozens more. AfterFab are non-impersonators. For them, it's all about getting the music right, which has attracted praise from noted Beatles experts and authors such as Robert Rodriguez, Candy Leonard, Ricardo Pugialli, Andrew Jackson, Charles Rosenay and others. Syndicated Beatles radio host Ken Michaels remarked, "Passion. You could see it in their faces. They've really studied the music. And the lead singer, he was outrageous!" This is the Beatles music that fans have been missing.
